AT MOST REASONABLE RATES

Full charge taken of Electrical Apparatus by annual subscription

Complaints attended to and Batteries recharged

OVER.

GAS SERVICE DEPARTMENT

The Standard Automatic Gas Regulator is attached to the meter, controlling the pressure automatically, keeping the flame steady, and allowing no waste or blowing, preventing breakage of globes, and saving from 20 to 40 per cent.

New tips and burners are supplied, leaks and flickering lights remedied, and pipes pumped out if necessary. All complaints connected with the gas, electric bells, or gas lighting apparatus are attended to.

The monthly dues are according to the average gas consumption and the quantity of electric apparatus in use.

Members agreeing to give five days' notice if it is desired to discontinue the service, and to allow none but employees to remove the property of the company.

GAS SERVICE DEPARTMENT

The Standard Automatic Gas Regulator is attached to the meter, controlling the pressure automatically, keeping the flame steady, and allowing no waste or blowing, preventing breakage of globes, and saving from 20 to 40 per cent.

New tips and burners are supplied, leaks and flickering lights remedied, and pipes pumped out if necessary. All complaints connected with the gas, electric bells, or gas lighting apparatus are attended to.

The monthly dues are according to the average gas consumption and the quantity of electric apparatus in use.

Members agreeing to give five days' notice if it is desired to discontinue the service, and to allow none but employees to remove the property of the company.
